

# TIM AND SAM

Tim and his pal, Sam, sat on a mat. They had a big tin can and a red pin.

"Let's tap the can!" said Tim. Tap, tap, tap!

The tin made a fun sound.

A fat cat sat in the sand. Pip, the cat, saw a big ant. Pip ran to get it, but the ant ran fast!

"Run, Pip!" said Sam. Pip spun and slid past the ant. The ant hid in a pit.

Tim and Sam ran to Pip. "That was fast!" said Tim.

"Let's spin!" said Sam. They sat on the mat and spun and spun. Pip spun too!

At last, they sat still. "I am hot!" said Tim.

Sam had a plan. "Let's sip apple juice!"

They sat, sipped, and patted Pip. The sun sank, and it was time to nap.
